SUPREME AWARD WINNERS

(continued)

The structure of the Supreme Award changed in 2011 for the first time in its 15 year history. Instead of an overall Supreme Award winner, in recognition of the growth in small boutique ice cream and gelato manufacturers, there is a Supreme Award for Boutique Manufacturers and a Supreme Award for Large Manufacturers. Boutique Manufacturers are those who produce less than 500,000 litres per annum.

	<i>Entrant</i>	<i>Name of Product</i>	<i>Category Entered</i>
